Thanks for trying Mike,

I have gone a different direction and I will not be attending any meeting for resolution.

Can you tell me the risk I assume for him not paying the rest of the bill?

Thanks,  
Jonathan

He just responded she does not have to attend the meeting, however the window for this week has closed. It is now too late for them to travel from out of town. We will have to set a meeting for next next Friday.

Please check your calendar and let me know if next Friday is good for you. I'll look at my calendar to see whether it works better in the morning or afternoon. Looks like we may be able meet and resolve this after all. Thank you very much Jonathan.

He also says he only has 5 min to let his father in law

not tell me anything about his wife since last we (you

Is a meeting still possible? How should i
